

### **REMARKS**

The above amendment to Claim 21 serves to incorporate the subject matter of original Claims 1 and 4 into newly amended Claim 21 as these claims have been cancelled. Thus, Claim 21 is now written in independent form. In view of the Notice of Allowance dated August 3, 2007, this amendment to Claim 21 places this claim in proper form. The Notice of Allowance indicates that Claim 21 therein is allowed.

Applicants respectfully submit that no new matter has been added by the preceding amendment to Claim 21.

The purpose of this amendment is to place Claim 21 in proper form in view of the cancellation of Claims 1 and 4.

It is respectfully requested that the preceding amendment be entered.

Respectfully submitted,
